

MAAI MANUAL CHRONO

Manual chrono hand fitting machine

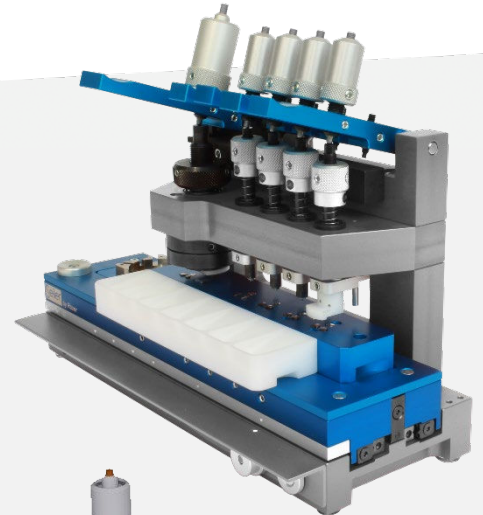

Datasheet, 01.07.2021, V1

 Engineered and made in Switzerland

The "MAAI Chrono and MAAI Chrono 4 Spindles" is a high precision machine for setting central and off-centre needles.

Machine functions

- Used to fit counter hands (CHRONO MAAI).
- Used to fit counter and central hands (MAAI CHRONO 4B).
- Used to fit counter hands simultaneously.
- Practical, reliable, efficient and compact space requirements.
- Hands perfectly and precisely aligned on their indexes.
- Can adapt to all hand sizes.
- Rapid adjustment of hand driving height.
- Rapid calibre changeover thanks to the tool bar device (MAAI CHRONO 4B).
- Option : (with DCF Pad)
 - Datomat
 - Force sensor
 - Backlighting

Technical specifications

	<i>MAAI CHRONO</i>	<i>MAAI CHRONO 4B</i>
Chrono spindle force limiter :	1 à 18 Kg	1 à 18 Kg
Standard spindle force limiter :	N/A	1 à 6 Kg
Hour and minute hand pick-up :	Mechanical	Mechanical
Seconds hand pick-up*:	Mechanical	Mechanical
Counter hand pick-up*:	Vacuum	Vacuum
Weight :	2.9 Kg	4.6 Kg
Dimensions (l/d/h) :	175 x 109 x 205 mm	255 x 109 x 205 mm

*Tools: see MAAI Tools data sheet

*Seconds hand vacuum pick-up on request

*Counter hand mechanical pick-up on request
